

# INCLEMENT WEATHER INFORMATION

The Y reserves the right to close or delay the opening of any of its facilities and programming due to potentially hazardous or inclement weather. We will make every attempt to maintain a regular operating schedule as conditions warrant. Safety of our members and staff is our utmost priority.

During inclement weather situations, operating schedules for the Y are based upon the opening of our facilities in a safe manner. The following is the system used to notify members and program participants about facility availability. Notifications regarding facilities and programs during inclement weather events will be posted to the YMCA's website and Facebook page.

## Schedule 1: Facility Open/Program Operating under normal schedule

- All program areas are operating on normal schedule.

## Schedule 2: Facility Open/No Programs

- Facility remains open for members use as scheduled.
- No programs. Evening hours and programs will be determined by 2pm based on the current weather conditions.

## Schedule 3: Delayed Openings

- Delayed opening times will be determined by what is the safest for members and staff. Programs for the day will be determined by availability of staff and will be communicated by the above means.
- Evening hours and programs will be determined by 2 p.m. based on the current weather conditions.

## Schedule 4: Closed

- Due to adverse weather conditions, the YMCA will be closing early or closed for the day.
- On subsequent days, please call ahead. We will make every effort to open as scheduled.
- Members can access any changes in our operating schedule due to inclement weather by calling our facilities or visiting our website. Please check regularly for updates as changes in weather conditions may warrant changes in operating status.
